

These Exhibition Regulations must be read in conjunction with, and subject to, the General Conditions of Exhibition and any other regulatory documentation promulgated by the Organiser. The Exhibitor, its agents, contractors and respective personnel will be subject to, comply with and be bound by the Exhibition Regulations. The Organiser may at any time promulgate such amendments to the Exhibition Regulations, as the Organiser may consider reasonable for the conduct of ROTORTECH (the "Exhibition"), and such amendments will be binding on the Exhibitor, its agents, contractors and their respective personnel. To the extent of any inconsistency between the Exhibition Regulations and the General Conditions of Exhibition, the provisions of the General Conditions of Exhibition shall prevail. Any non-compliance or deviation from these Exhibition Regulations requires the prior express written approval of the Organiser.

1. Definitions

The Organiser of the Exhibition is AMDA Foundation Limited (ABN 63 091 147 787)

The Authorities include the Commonwealth of Australia, the State Government and the local authorities.

The Exhibition refers to ROTORTECH.

The Exhibition venue is Royal International Convention Centre (RICC), Brisbane Showgrounds and shall mean all areas, premises or structures utilised by or made available to the Organiser for the purposes of the Exhibition.

The Exhibitor is the applicant whose details are set out in the Exhibition Order Form. Where not inconsistent with the context, a reference to Exhibitor includes all of its officers, employees, agents or contractors.

The Exhibition Regulations refers to a series of four documents:

- A. Internal Exhibition Regulations
- B. External & Static Display Exhibition Regulations
- C. Exhibition Safety Regulations
- D. Helicopter Arrival and Departure Instructions

These must all be read in conjunction with each other.

2. Fit-out & Site Dressing Completion

The fit-out and site dressing of the External Exhibition structures, displays and areas must be completed by the commencement of the Exhibition and be properly staffed and maintained throughout the opening hours of Rotortech. Any Site dressing must be approved by the Organiser before arrival to site.

3. Removal of Exhibits

The Exhibitor must not remove any items on display or commence dismantling of their site display before the end of the Exhibition, as detailed in the Schedule, without the prior written approval of the Organiser.

4. Display Limits

No part of the display may extend or project beyond the allotted dimensions of the contracted space. All aircraft must be a minimum of 1.5m from all walkways and thoroughfares

5. Aircraft Arrival and Departure Instructions

All helicopters to be displayed at ROTORTECH will be subject to Helicopter Arrival and Departure Instructions

(separate document). The helicopter arrival and departure facilitation arrangements, allocation of parking positions and eventual timings will be at the absolute discretion of the Tarmac Crew Chief (TCC).

6. Noise, Vapours, Light

Excessive or objectionable emissions of any type, including but not limited to noise, vapours, light and smoke, from stands and displays are not permitted. Any PA, theatre, audio visual systems or displays must be used in such a way as to not unreasonably affect neighbouring Exhibitors. The Organiser reserves the right to turn down or off any equipment, systems and displays deemed, by the Organiser, to be in breach of this regulation.

7. Power

No power will be supplied to the Static Display Area at the Event.

8. Telecommunications

Wireless internet services are available from the Venue and must be ordered directly from the Venue. All costs incurred to use these services are the Exhibitors responsibility.

9. Water and Waste

Water and waste services are not available on the Static Display Area at the Event.

10. Exit Signs, Fire Equipment, etc.

Firefighting equipment, exit signs, etc must not be blocked, moved or altered in any way.

11. Cleaning and Rubbish Removal.

Exhibitors are responsible for the removal of all rubbish created during the move in/move out and event periods. Any materials left at the conclusion of the Event will be disposed of, and all costs charged to the Exhibitor.

12. Storage

There is no provision for storage of any items at the Venue. Exhibitors should make arrangements for storage either on their stand, off site, or through the Official Freight and Logistics provider.

13. Catering

Catering will not be supplied to external display areas.

14. Prohibited Weapons

Prohibited Weapons are not permitted at the Exhibition. Please contact the Organiser for further details if required.

15. Safety

Safety is of utmost importance at the Exhibition and Exhibitors & Contractors are required to understand and comply with all Australian and State legislation and regulations regarding Occupational Health and Safety (OH&S). Exhibitors & Contractors are also bound by the Organisers' Exhibition Safety Regulations (see separate document).

16. Security

The Organiser will provide security services for the duration of the Exhibition. However, all responsibility for the safety and security of the property of Exhibitors must be borne completely by the Exhibitor. The Organiser reserves the right to stop and search any person, vehicle, container, equipment or other item at, entering or departing from the Exhibition at any time.

17. Consignments and Deliveries

- i. An Official Logistics Provider has been appointed for the Exposition. The Official Logistics Provider is the exclusive provider of lifting and handling equipment and Exhibitors (and Contractors) are not permitted to operate their own forklifts on site.
- ii. Lifting services and loading dock access times should be booked with the Official Logistics Provider prior to the bump in of the Exposition.
- iii. No exhibits will be allowed into the Exhibition Venue after the commencement of the Exhibition except with the prior approval of the Organiser.
- iv. The Organiser will not under any circumstances accept or sign for any deliveries on behalf of the Exhibitors.

18. The Venue

The Exhibitor may not attach any fixture or fitting to the ground, floors, ceilings or walls of the Exhibition venue. No nail, screw, picket or other fixing is to be driven into any part of the Exhibition venue.

19. Dilapidations

The Exhibitor is responsible for the cost of making good, restoring or renewing any case of serious dilapidation to the Exhibition venue or any part thereof, this includes venue grounds and turf. The Exhibitor should satisfy itself as to the condition of the site both before erection and after removal of the stand, display and or Aircraft.

20. Site Plan & External Displays

The Organiser reserves the right to alter the floorplan, layout, stand positions, facilities and features as it deems necessary.

Static Display Aircraft site numbers are indicative only and subject to change until confirmed in writing by the Organiser.

21. Temporary Structures

Exhibitor supplied structures i.e.; pop up tents/marquees are not permitted except with the prior written approval of the organiser.

22. Turf Protection

All Exhibitor items on display in the Main Arena must adhere to the following Venue turf protection guidelines:

- i. Under no circumstances can any display item or aircraft be pegged or staked into the ground. All displays must be weighted.
- ii. All display items/ aircraft must be on the protective surface as directed by the Venue or Organiser– no items should be placed directly on the turf
- iii. Aircraft are not to be refilled on the Main Arena.
- iv. No fluids are to be disposed of on the turf or in the grates of the Main Arena.

23. Refuelling

All Static Display Aircraft must have through fuel – no refuelling services will be available at the Event

24. Registration of aircraft and PIC (Pilot in Command)

All aircraft must be registered via the Exhibitor Online Portal prior to the commencement of the Event. Each aircraft must be individually registered and contain PIC information as well as Public Liability Insurance, ASIC and CASA License details.

25. Demonstration Flights

There are no helicopter demonstration flights at the Event.

26. Emergency Response

For the duration of the event, the landing area will be under the day to day operational control of the 'Tarmac Crew Chief' (TCC). The TCC will be clearly identified onsite and will be assisted by the Tarmac Crew (TC) members who will all at times act in accordance with the TCC's instructions.

Should for any reason, it is necessary to declare an incident on the Static Display Aircraft site as requiring an emergency response, it is the sole responsibility of the TCC to activate the plan.

The TCC will notify The Venue's security on 0499 900 161. The Venue has Emergency Response plans to cover a variety of emergencies, these procedures will be implemented by The Venue as required.

Should it be necessary for any of the emergency response services to attend the incident, the TCC will hand-over to the emergency services incident controller and offer assistance as appropriate.
